

▣ = Downward pick
∇ = Upward pick

Right and Left Hand Exercises

Jason Ennis

♩ = 50-60 BPM

Repeat until comfortable

Exercise 1: Treble and Bass clef notation, 4/4 time signature. Treble clef contains a sequence of eighth notes with alternating downward (▣) and upward (∇) picks. Bass clef contains a sequence of eighth notes. The exercise is divided into two measures, each with a repeat sign. A box labeled "Repeat until comfortable" is placed above the first measure.

Repeat until comfortable, then add one string at a time

Repeat until comfortable

Add one string at a time

Exercise 2: Treble and Bass clef notation, 4/4 time signature. Treble clef contains a sequence of eighth notes with alternating downward (▣) and upward (∇) picks. Bass clef contains a sequence of eighth notes. The exercise is divided into four measures, each with a repeat sign. A box labeled "Repeat until comfortable, then add one string at a time" is placed above the first measure. A box labeled "Repeat until comfortable" is placed above the second measure. A box labeled "Add one string at a time" is placed above the fourth measure.

Explore additional permutations

Exercise 3: Treble and Bass clef notation, 3/4 time signature. Treble clef contains a sequence of eighth notes with alternating downward (▣) and upward (∇) picks. Bass clef contains a sequence of eighth notes. The exercise is divided into four measures, each with a repeat sign. A box labeled "Explore additional permutations" is placed above the first measure.

Exercise 4: Treble clef notation, 3/4 time signature. Treble clef contains a sequence of eighth notes with alternating downward (▣) and upward (∇) picks. Bass clef contains a sequence of eighth notes. The exercise is divided into two measures, each with a repeat sign. A box labeled "continue alternate picking..." is placed above the first measure.

Exercise 5: Treble clef notation, 4/4 time signature. Treble clef contains a sequence of eighth notes with alternating downward (▣) and upward (∇) picks. Bass clef contains a sequence of eighth notes. The exercise is divided into two measures, each with a repeat sign. A box labeled "continue alternate picking..." is placed above the first measure.

Left Hand: practice initially with a release on the upbeat of each beat, to work on quick release of tension

Repeat until comfortable

Exercise 6: Treble and Bass clef notation, 4/4 time signature. Treble clef contains a sequence of eighth notes with alternating downward (▣) and upward (∇) picks. Bass clef contains a sequence of eighth notes. The exercise is divided into four measures, each with a repeat sign. A box labeled "Repeat until comfortable" is placed above the first measure.

2
21

Repeat until comfortable, then add one string at a time

10

Return across fingerboard with reverse LH pattern, then explore more permutations. 24 are possible!

Etc...

Advanced exercises for synchronization:

V (Fifth Position)

25 11

29

33

Return using different combination of fingers

37 12

Continue on other strings and with different combinations of fingers

Counting Rhythms/subdivisions:

40

1/4 notes

1/8 notes

1/16 notes

"1 2 3 4" "1 + 2 + 3 + 4 +" "1 e + a 2 e + a 3 e + a 4 e + a"

43

Dotted 1/8, 1/16 (long, short)

1/16, Dotted 1/8 (short, long)

"1 a" "1 e"

Examples of 2 string variations

45

Etc...
